

REMARKS

In a prior amendment filed August 11, 2003 responding to an Office Action dated May 3, 2003, due to a typographical error, Claim 1, although not amended, was presented in a different form than originally filed and allowed in the May 3, 2003 Office Action. Accordingly, Applicant has amended claim 1, merely placing the claims into the condition they were in as allowed but correcting the typographical error which was presented in Claim 1.

Additionally, while preparing the Amendment, it was noted that Claims 34, 41 and 42 were in improper form. As a result, Applicant has amended Claims 34, 41 and 42 correcting improper claim dependencies.

Entry of the foregoing amendments of the above-captioned Application is requested.

If there are any fees due in connection with the filing of this Amendment, please charge those fees to our Deposit Account No. 02-2666.

Respectfully submitted,
